Walking Directions to Evansdale Buildings

- **Agricultural Sciences Building (AGS)**
- **Allen and Percival Halls (ALH & PER)**
- **Coliseum (COL)**
- **Creative Arts Center (CAC)**
- **Engineering Sciences Building (ESB)**
- **Evansdale Library (EVL)**
- **Health Sciences Center (HSC)**
- **Mineral Resources Building (MRB)**

Agricultural Sciences Building (AGS)
From the Engineering PRT station-exit the platform and go to your left. Continue along the sidewalk past three engineering buildings and the Evansdale Library. The Agricultural Sciences Building will be directly in front of you.

Allen and Percival Halls (ALH & PER)
From the Towers PRT station-exit to your right and walk along the pedestrian walkway. Cross the street and then take a right. The next two buildings to your left are Percival and Allen Halls.

Coliseum (COL)
From the Engineering PRT station-exit the platform and go to your right. In the loop right by the Mineral Resources Building, there will be a University shuttle that runs every 10 minutes back to the Coliseum. If you would rather walk, walk along the sidewalk down towards the road (past the Creative Arts Center). The Coliseum is the large dome-shaped building in front of you.

Creative Arts Center (CAC)
From the Engineering PRT station-exit the platform and go to your right. Follow the sidewalk around the bend to your right. Cross the street and the Creative Arts Center will be in front of you slightly to the right.

Engineering Sciences Building (ESB)
From the Engineering PRT station-exit the platform to the left, and the Engineering Sciences Building will be on your right. It is a large gray brick building.

Evansdale Library (EVL)
From the Engineering PRT station-exit the platform and go to your left. Continue along the sidewalk past three engineering buildings. The Evansdale Library will be on your right hand side. It is the cream-colored building with long black tinted windows.

Health Sciences Center (HSC)
From the Medical PRT station-walk up the stairs and go straight. Walk straight through the parking lot; the building will be directly in front of you.

Mineral Resources Building (MRB)
From the Engineering PRT station-exit the platform and the Mineral Resources Building is directly in front of you.
